Reel Life Data: Reflecting LGBT Lives in Northern Ireland

In 2107, our Reel Life Data competition set the challenge of making a short film based on public attitudes recorded in the Northern Ireland Life and Times Survey. The focus was on LGBT lives in Northern Ireland.

Please join us to celebrate the films, and explore how film can bring data to life.

**Wednesday 5 September 2018 at 4:00 to 5:00 pm,
